ARB Responsibilities

The ARB is not a part of an Appraisal District.

The staff of the appraisal district is only authorized to provide clerical assistance.

The ARB has no role in the day-to-day operations of the appraisal office or in appraising property. It does not instruct the appraisal staff about how to perform appraisals.

The ARB has the authority to change a value or correct the appraisal records on a protest, motion or challenge that has been filed. In certain circumstances, the chief appraiser must make the reappraisals or correct the records ordered by the ARB.

Only in resolving property owner protests or motions to correct can the ARB make changes or set a value.

Additional Remedies

After the ARB rules on your protest, it will send a written order by certified mail. If you are dissatisfied with the ARB’s findings, you have the right to appeal the decision. Depending on the facts and type of property, you may be able to:

- appeal to the state district court in the county in which your property is located;
- to binding arbitration; or
- to the State Office of Administrative Hearings (SOAH).
### EPCAD Board Of Directors

#### EPCAD BOD Authority and Appointment

**Texas Tax Code Section 6**

An appraisal district is a political subdivision of the state that is governed by a board of directors. Voting member taxing units are entitled to vote on the appointment of members to the board of directors.

The board of directors has required duties and authority under Texas law. Property Tax Code Section 6 contains much of the statutory authority for boards of directors. The board of directors is selected by appointment; it is not an election governed by the Texas Election Code. The method or procedure for appointing members can be changed by the board of directors or by three-fourths of the voting taxing units acting through resolutions.

#### EPCAD BOD Responsibilities

A board of directors has required duties and authority under the Tax Code. Other additional duties and authority are provided for in other law.

The following is a nonexclusive list of the primary responsibilities of the board of directors under the Tax Code:

- Establish the appraisal district office
- Hire a chief appraiser
- Adopt the CAD’s annual operating budget after fulfilling notice requirements and holding a public hearing
- Hire a Tax Payer Liaison Officer
- Approve a Reappraisal Plan
- Have board meetings at least once each calendar quarter
- Prepare information describing the board’s functions and complaint procedures; the information must be made available to the public and the appropriate taxing units

#### EPCAD BOD Limited Appraisal Authority

The board’s appraisal authority is limited. The board does not appraise property or review values on individual properties. The law assigns these tasks to the chief appraiser and the ARB, respectively.

The board of directors does have the authority to give written approval for a chief appraiser to appeal certain ARB orders in court.
